KEETEC®

BLADE

The Brand New
CANBUS Alarm

KEETEC®

BLADE

PROTECTS YOUR VEHICLE

from theft as well as it guards its interior, hood and boot.

ADDITIONAL AUTHORIZATION

with a unique **PIN code** entered by the steering wheel buttons provides a **high level of protection**, especially for keyless vehicles.

KEETEC® BLADE

- **Intuitive PC program** for super simple programming
- **Settings wizard** for quick setup
- **Connection points** directly in the PC application
- **CAN BUS / ANALOG** connection
- **5 INPUT/OUTPUT wires** with modifiable logic
- Optional **connection with a sensor** (*tilt, ultrasonic, shock, microwave*)
- **12/24 V** vehicle support
- Optional **validation via steering wheel buttons**
- Power consumption **only 2 mA**
